### Qualification Criteria for the Bidder

1. All bidders shall provide a preliminary description of the proposed work method and schedule, including drawings and charts indicating miles stones to complete the project on time.
2. If the Employer has not undertaken prequalification of potential bidders, all bidders shall include the following information and documents with their bids.
  - (a) copies of original documents defining the constitution or legal status, place of registration, and principal place of business; written power of attorney of the signatory of the Bid to commit the Bidder;
  - (b) total monetary value of construction work performed for each of the last three years;
  - (c) experience in works of a similar nature and size for each of the last three years, and details of works underway or contractually committed; and clients who may be contacted for further information on those contracts;
  - (d) major items of construction equipment proposed to carry out the Contract or evidence of arrangement; of possessing them on hire/ lease/ buying as defined therein;
  - (e) qualifications and experience of key site management and technical personnel proposed for contract;
  - (f) reports on the financial standing of the Bidder, such as profit and loss statements and auditor's reports for the past three years;
  - (g) authority to seek references from the Bidder's bankers;
  - (h) information regarding any litigation, current or during the last five years, in which the Bidder is involved, the parties concerned and dispute amount;
3. Bids from Joint ventures are not acceptable.\*
4. To qualify for award of the contract, each bidder in its name should have in the last three years as referred to :-
  - (a) Achieved in any one year a minimum annual financial turnover (in similar nature of work for which RFP has been invited ) volume of construction work of at least the amount equal to the 50 % (fifty percent) estimated cost of works for which bid has been invited. The turnover will be indexed at the rate of 8% for a year.
  - (b) Satisfactorily completed at least one similar work with specification mentioned in the RFP invited for double/quad unit toilet as applicable, as a prime contractor in any state/central Govt/PSU's/reputed private firm as per attached Drawing and Specification. Completion certificate must have been signed by the engineer not below the rank of Executive

Engineer. Where as in case of Private firm completion certificate must be certified by the Govt registered valuer/Nationalized Bank Valuer/Nationalized Insurance Corp Valuer or retired Govt engineer not below the rank of Executive Engineer.

5. Each bidder should further demonstrate:

Availability for this work of personnel with adequate experience as required

6. Bidders who meet the minimum qualification criteria will be qualified only if their available bid capacity is more than the total bid value. The available bid capacity will be calculated as under :

$$\text{Assessed Available Bid capacity} = (A * N * 3 - B)$$

Where

- A = Maximum value of pre fabricated works executed in any one year during the last five years (updated to the price level of the year) taking into account the completed as well as works in progress.
- N = Number of years prescribed for completion of the works for which bids are invited.
- B = Value (updated to the price level of the year indicated) of existing commitments and on-going works to be completed during the next two months (period of completion of the works for which bids are invited)

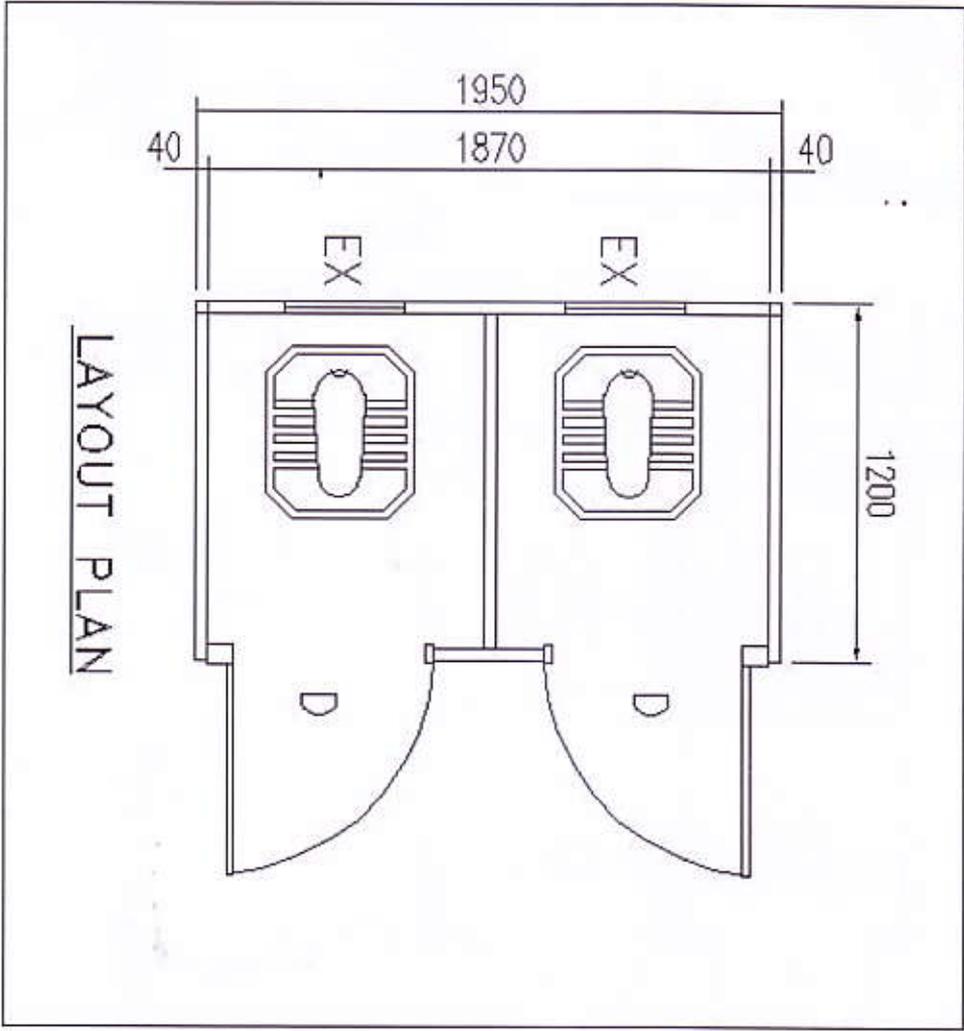

*Note: The statements showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be countersigned by the Engineer in charge, not below the rank of an Executive Engineer or equivalent. Where as in case of private firms it should be signed by registered practitioner Chartered accountant.*

7. Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:
- made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or

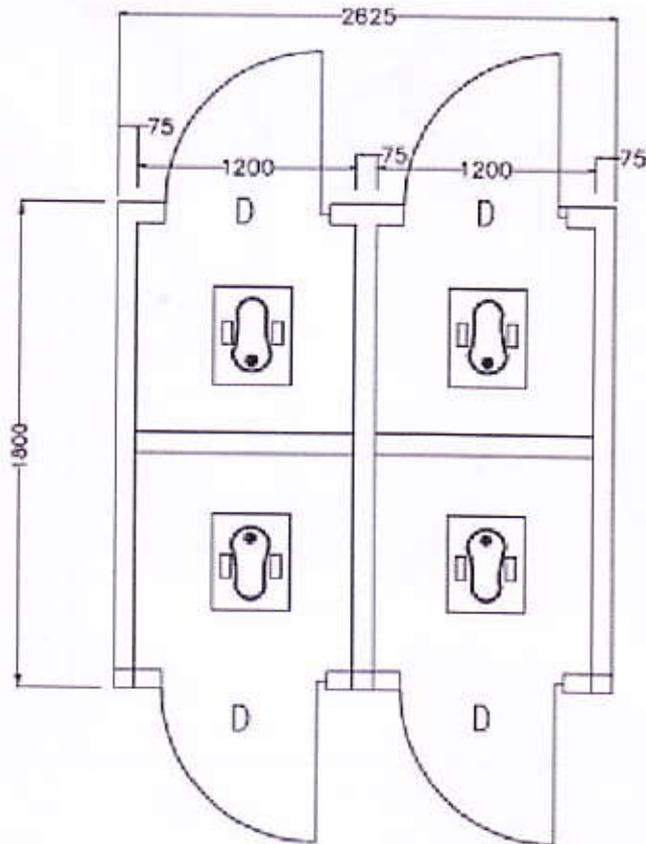

- have record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc; and/or
- Participated in the previous bidding for the same work and had quoted unreasonably high bid prices and could not furnish rational justification to the employer.
