

Govt. of Jharkhand
Urban Development & Housing Department

Public Consultation Notice for Review of Smart City Layout Plan

The Principal Secretary, Urban Development and Housing Department, Government of Jharkhand wishes to inform all citizens that Ranchi has been selected to be developed as one of the 100 smart cities under the Smart City Mission of the Government of India.

In this regard, the Government of Jharkhand envisions to make Ranchi Smart City:

- a) A Knowledge hub for educational excellence – for both formal and non-formal sectors, by reinforcing its good educational institutes in preparation for welcoming knowledge based industries.
- b) An efficiently managed traffic and transportation system based city aided by Information Technology (IT) in all aspects to reduce the travel time of commuters and incidents of traffic violations to make Ranchi a safe city for pedestrians and commuters.

Accordingly, a **Draft Layout and Concept Plan** for the Ranchi Smart City (Area based Development of 656 Acres) has been designed and available on the Website : _____ with a brief note for perusal , review and feedback, if any. The Department therefore invites all citizens of Jharkhand to peruse the Concept Plan of the Ranchi Smart City and provide the department with valuable feedback which will in return enable the Dept. in finalizing the Layout Plan and the allied facilities for the Ranchi Smart City. **All suggestions may be sent via email or by post , addressed to “ The Principal Secretary , UD&HD, Government of Jharkhand” with Subject line as “ Public Suggestion on Ranchi Smart City “ :**
